CYLINDER HEAD GASKET 200 037 0018 04/05: FIAT, FORD & PSA

Product Advantages

High-performance: Unique combination of number of holes and thickness- 4 & 5 holes at 1.25 mm or 1.30 mm.

Optimized design: Previous oversizes will no longer be sufficient in the future. For further repairs, a precise piston protrusion of **0.621 - 0.72 mm** is required, which is realized with our new cylinder-head gaskets.

High coverage: Perfect fit for numerous commercial vehicle engines.

Reliable and durable: Tested for high loads in continuous commercial use.

Original Equipment Quality: Meets or exceeds OEM specifications and ensures reliability and durability.

Our high-quality cylinder-head gaskets are available immediately and are the ideal solution for the professional repair of numerous **PEUGEOT, FORD, FIAT and CITROËN commercial vehicle engines**. Developed for professional use, they offer maximum accuracy of fit and reliability - even under demanding everyday conditions.
